- Cart, add-on accessories and tools in photo not included

# ATD-7138 INSTALLATION INSTRUCTIONS

## INSTALLATION:

1. Remove the two top side bolts from either side of the top tray or locking top.
2. Place the locking tool holder on edge of the cart. Match the holes on the cart with the holes on the screwdriver holder.
3. Using the original screws, washers, and bolts from your cart, secure the screwdriver holder to the side of the cart.
